

Variation Within Species - Observations

Section 4: Variation and Survival

Name: _____

Date: _____

Observe and record variation among individuals of the same species.

Species/Organism: _____

Individual	Trait 1:	Trait 2:	Trait 3:	Special Features
#1				
#2				
#3				
#4				
#5				
#6				
#7				

#8

Variation Analysis:

Range of variation for Trait 1: _____

Range of variation for Trait 2: _____

Most common variation: _____

Rarest variation: _____

Why might this variation be helpful? _____
